

Today, is Christ the King Sunday. We celebrate Jesus being the King of kings.

When you think of a king, what do you picture? *(Show the pictures that are associated with the king)*

Do you picture a man dressed in the finest and most expensive clothes sitting on a throne made from gold and holding a scepter? Does he wear a crown of gold? Does he have a gold and jewels treasure? Does he rule over people? Does he rule over armies that go to war for him? Yes he does.

Now, picture what Jesus looks like to you. *(Show the pictures associated with Jesus)*

Does He wear fancy expensive robes? Does He wear a gold crown? Does He carry a scepter? Does He have a gold and jewels treasure? No. Jesus wears plain clothes and sandals. He wears a crown of thorns. He carries a cross, not a fancy scepter. Instead of ruling over people and having armies that go to war for Him, He showed how He loves them/us so much that He died on the cross so their/our sins would be forgiven.

Jesus' kingdom is not on earth like other kings, His is in Heaven and we are all invited to live in His kingdom with Him, our King of kings.
